

MUSICAL GIFTS

White Elephant Rules

1. Sit in a circle or around a table. Pass a Christmas prop around the circle while playing Christmas music.
2. Once the music stops, the person holding the prop should choose and unwrap one gift. If they already have a gift, they can swap with someone else or leave the circle and keep their gift.
3. Keep playing until everyone has a gift. Players may then choose to leave the circle if they haven't already.
4. If you still have willing players left, play a final round or two to give players additional chances to swap.
